this end-run around the committee, the Health Committee. But anyway, the amendment that I'm proposing will change on line...or page 23, line 14, it will strike "Environmental Quality Council" and insert "Advisory Council on Public Water Supply". On page 3, lines 1 and 2 will strike "Environmental Quality" and insert "Department of Health and Human Services Regulation and Licensure". On page 2, line 3...or page 12, line 9, it strikes "Environmental Quality", insert "Regulation and Licensure". I think most senators have heard from their towns, counties, everybody is concerned with this committee amendment as it is being proposed this morning. Thank you.
